Mrs J.C. Booth

My dear Madam.

Your letter enclosing power of attorney to Mr Wm Baber rec'd. and I have delivered the same to him.

I do not think he will agree the receipt you speak of in fact the Department records have furnish all the evidence necessary. Mr Baber says he will push your claim with all the power at his command and thinks he can succeed at this session. He went to work about today

I will keep you advised of the progress made and should he wish you to do anything he will advise you through me.

Very Truly
